Dear Supporter,

I pray that you are having a very safe and healthy year so far. COVID-19 has shaken our world in a multitude of ways, and many businesses and activities have been halted for the foreseeable future. However, one thing this virus has not stopped is the occurrence of cancer, which continues to affect many children and adults in our communities.

Memorial Oncology Foundation Funds & Pink Heart Funds care deeply for cancer patients. We have joined together to raise funds for two great causes. Net proceeds will be split 50/50 between the two charities.

Mission Statement: Memorial Hospital Foundation is a non-profit organization with a vision to develop relationships and financial resources to support the healthcare programs, projects and services of Memorial Hospital. The Foundation manages 20 funds that provide financial support to Memorial Hospital, our patients, and our employees. 100% of donations to the Foundation stay in our community and help our neighbors in need.

Oncology Fund: Provides medication, transportation and nutrition assistance to patients who are receiving treatment for cancer at Memorial. For more information about our organization, visit our website at www.MemorialHospitalFoundation.com

Mission Statement: Pink Heart Funds exists to inspire, encourage, and restore hope for persons affected with cancer and extreme hair loss disorders.

Pink Heart Funds: Is a ministry and outreach charity that provides a variety of products and services including cranial prosthetics (wigs), breast prostheses or post-mastectomy bras, and lymphedema sleeves. All of our products and services are totally free to those suffering from cancer or extreme hair loss disorders. For more information about our organization, please visit our website at www.PinkHeartFunds.org.

Both Foundations rely on the generosity of our communities for successful fundraising events. We would appreciate your consideration of a donation/sponsorship for **Memorial Oncology Foundation Funds & Pink Heart Funds', Ribbon Walk/Run/Stroll/Doggie-Dash. Saturday, May 22, 2021.** For your donation you will receive all social media recognition and highlighted on our website. If you prefer to remain anonymous please specify.

Thank you so much in advance for your support! Your contribution will help make a huge difference in our community.

Sincerely,

Chairpersons: Brenda Long (Memorial Oncology) and JoAn Niceley (Pink Heart Funds)
